• PROFILE

Having recently completed Tortuga Coders Full Stack Boot-camp, an intense coding Boot-camp, I am currently looking for an opportunity as a Junior Front End Developer. I am passionate about tech, clean readable code and UI design, and I'm highly motivated to learn and progress within the industry. I have recently been working on personal projects with HTML, CSS, JavaScript and React that are available to view on GitHub.

I want to bring forth a motivated attitude and a variety of useful skills.

I am also committed to utilize my skills to further the mission of a company.

• EMPLOYMENT HISTORY

Payroll & HR Administrator at Viasales AB, Stockholm

October 2021 — December 2022

- Maintained extremely well organized records and handled all HR matters with confidentiality and the application of company standards.
- Ensured that all company HR procedures and guidelines are followed.
- Processed payroll and distributed paychecks to employees.
- Managed the office database, mail, payroll distribution, and the physical setting of the front office.
- Maintained accurate information in the payroll system.
- Worked with Administrators to resolve questions about payroll, pay-rates, and deductions.

Store employee at Hemköp, Stockholm

April 2021 — October 2021

- Employed through Hemköp's own staffing pool where daily passes were issued to various Hemköp's around Stockholm who needed help. The different areas of responsibility I worked in were packing/picking, dairy/freezer and the cash register.

Pedagogue at Mörtviksskolan, Stockholm

March 2020 — October 2021

- My task at Mörtviksskolan was to be the extra hand, for both teachers and students. My responsibilities would change from day to day, some days I took care of individual students and other days it would be whole classrooms.

Internship (LIA) HR & Payroll at Oak Redovisning, Stockholm

January 2020 — March 2020

- Completed (LIA) at Oak Redovisning AB. In my LIA position, I had the chance to test payroll runs, help with payroll issues, add new employees to the system and also work with work environment issues and HR.

Order administrator at ICA, Head office, Stockholm

May 2019 — July 2019

- Supported an efficient production system in a fast paced environment by accurately processing all new orders, and delegating tasks as each order required.
- Assisted supervisors and employees with daily tasks related to order fulfillment.

○ **Customer service employee at Teleperformance, Stockholm**

August 2016 — August 2018

- Brought forth excellent customer service skills and a commitment to customer satisfaction.
- After just over a month, I climbed up to the company's antichurn department.
- After six months, I became a Sales coach assistant.

○ **Receptionist at House of Shapes, Stockholm**

2014 — 2015

- Greeted clients and provided them with information and superior service.
- Answered phone calls, greeted clients, and handled all front desk responsibilities.
